

**SF311 Online Database of Boards and Commissions Appointments
First Quarter of Fiscal Year 2023**

The Ordinance related to the Centralized and Publically Accessible Online Database of Appointments to Advisory Bodies requires quarterly and annual reports verifying the accuracy or information in the database and documentation of changes made to that body throughout the fiscal year. Below are the advisory bodies that listed changes for the 1st Quarter of FY23, if applicable, and certified that the information was accurate in 311's database.
